## INSIDE THE BOX:

**STEP 1:** Connect one end of the HDMI cable to the HDMI port on the back of the Roku player and connect the other end to an HDMI port on your television.

**STEP 2:** Plug one end of the power cord into the back of the Roku Player and plug the other end into an outlet. Once you have done this, a white power light will light up on the front of the Roku Player.

**STEP 3:** Power on your television and set the input for the HDMI port. You will see the Roku message on the screen.

**STEP 4:** Follow the on-screen prompts to connect to YOUR internet. Go to: Settings>Networks>Add New Network.

**STEP 5:** Once you have connected to your network, click the Home button on the Roku Remote to return to the Home screen. Select My Channels and Select VuDu.

After VuDu loads, go to My VuDu and click on Movies or TV Shows. Make your selection and start watching!
